

Lessons Learned: Creating HPV Awareness Events for Adolescents

NICOLE L. MAYER, MPH

Creditability

I have working with young people between the ages of 5-21 for almost 10 years

Academic background: B.S. in Community Health and MPH in Community Health Sciences

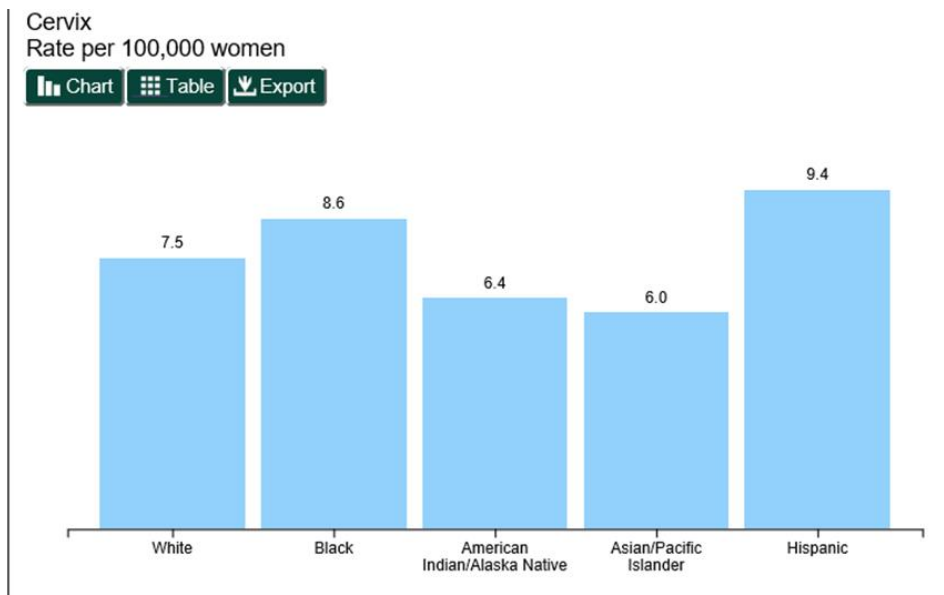

Student Health Advisory Committee (SHAC)

- Purpose is to empower the student body to make healthier choices through events and education
- SHACs are in 5 high schools around Washington County
- FG SHAC is 12 students strong from various backgrounds

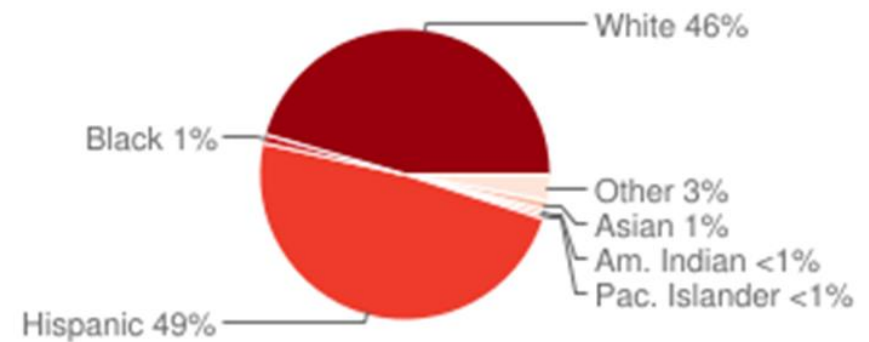

Why HPV?

CDC

<https://gis.cdc.gov/Cancer/USCS/DataViz.html>

FGHS Demographics

<https://schools.oregonlive.com/school/Forest-Grove/Forest-Grove-High-School/>

Why have this event?

- Plan and implement a school-wide Youth Summit
- 2018-2019 School Year

- At the 2018 Oregon HPV Summit Jenica Palmer mentioned the film "Someone You Love: The HPV Epidemic"

The Planning Process

Panel

Workshops

Film screening

Incentives

The Panel

Tera Roberts DNP, FNP
(Century School Based
Health Center)

Caitlin Dickinson MPH
(Project Manager, The
Rural Adolescent
Vaccine Enterprise)

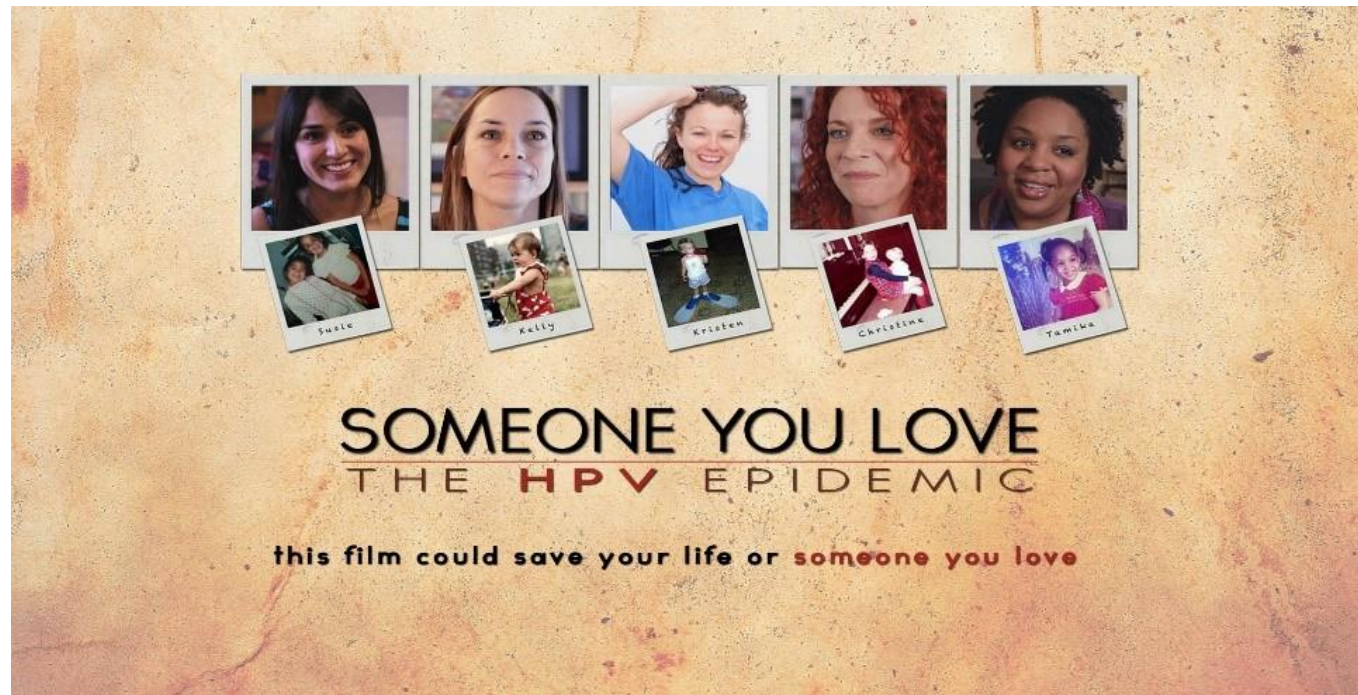

Megan Feely
(OSBHA Student
Health Advocate)

Tove Silver, NP
(NHC Hillsboro
Reproductive Health
Clinic)

The film

-Five women whose lives have been changed by the human papillomavirus share their stories and experiences

Workshops

STI Prevention

- Larissa Whalen PA-C: FGHS SBHC

Healthy Youth Relationships

- Jilly de la Torre: Reed College SAPR Advocate

Youth involvement

01

HPV was voted on by SHAC members to be the topic of our Youth Summit

02

Youth were in charge of marketing this event to classmates and teachers

03

All planning was done with student involvement during SHAC meetings

Day of, SHAC members were on hand to run the event.

Youth engagement was high!

All SHAC members were in attendance

Had few community members attend

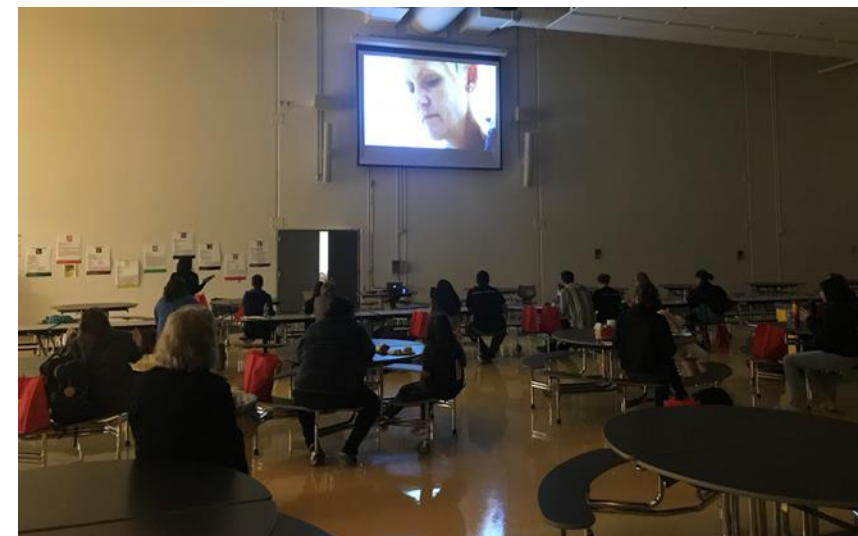

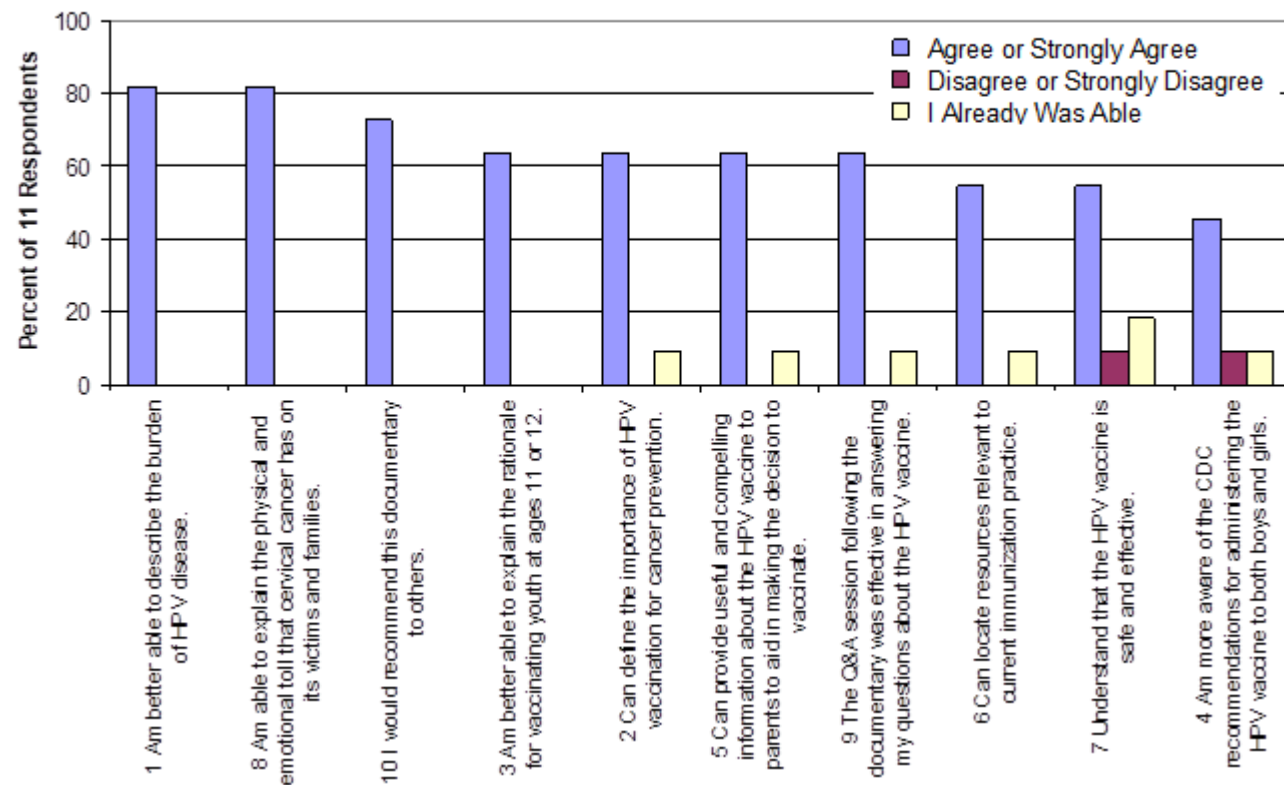

Panel of experts

Evaluations

Evaluation Results

FG SHAC HPV Summit 1/30/2019: Post-Summit Feedback Survey.
 "As a result of this viewing I . . . " (N=11, Sorted from highest to lowest agreement)

IPHS

Evaluation Results

Qx 12. Are there still any reasons why you wouldn't recommend HPV vaccination for others, or receive the vaccination yourself?	QX 13. What did you like <u>most</u> about this summit?
Not at all.	The presented information, the food and discussion.
I <u>wouldn't</u> recommend this vaccine because there is still not totally solid evidence on what it does and the side effects since it's still a new vaccine.	The movie.
No.	Everyone was informational and I learned a lot.
No.	That it was inclusive.
No.	Very informational.
IDK.	Spending time with the other SHAC members.
No.	I thought that having the panel there was very helpful, and helped students feel safe to pay attention to some of the difficult material in the film.
No.	
No.	
No.	
No.	

Sophia's take away

Sophia's video will be uploaded for the presentation only

Things to think about for future youth events

- The flyers: Why?
- Cast a WIDE net
- Adult champions
 - Assistant principal was the gatekeeper
- Student/youth buy-in
 - Youth led workshop

Questions/Discussion
